<b>Volumen</b>	1.5 m <sup>3</sup>
<b>Nettogewicht</b>	221.5 kg
<b>Bruttogewicht</b>	228.1 kg

## Umweltschutz

### Content

The fibre composition in the product is virgin and recycled

### Material

Virgin fibres and recovered paper

In the tissue process both virgin fibres and recovered paper are being used. In the process it is a matter of finding an efficient solution where both virgin fibres and recovered paper play a role. Different fibres demand different processes and this determines the end product properties, and makes the fibre type (recovered or virgin) less important. The environmental benefits and economic feasibility of recovered paper as a raw material source depend on its availability, transport distance and the quality of the collected material. Bleaching of fibres Bleaching is a cleaning process of the fibres and the aim is to achieve a bright pulp, but also to get a certain purity of the fibre in order to achieve the demands for hygiene products and in some cases to meet the requirements for food safety. There are different methods used today for bleaching ECF (elementary chlorine free) where chlorine dioxide is used, and TCF (totally chlorine free) where ozone, oxygen and hydrogen peroxide is used.

### Chemicals

The chemicals used in the process as well as the functional chemicals are assessed from an environmental, occupational health and safety and product safety point of view. The used functional chemicals are: Wet strength agent Dry strength agent Dye Fixing agents Fluorescent whitening agent Glue Softeners The process chemicals are: Antipitch Protection agent Yankee coating Defoamer Dispersing agents and surfactants pH and charge control Retention aids Broke treatment chemicals Drainage aid

### Product safety

The product fulfils the legislative requirements for food safety. Packaging Fulfillment of Packaging and Packaging Waste Directive (94/62/EC): Yes Environmental label Ecolabel This product does not have an ecolabel

Date of issue 2006-06-12

Revision date 2010-02-25

### Production

# Tork Starke Mehrzweck Papierwischtücher

Farbe: Weiß Format: Kombirolle
