

# Cable tie

Art. No. 141455

Type No. KB-S-048300

Exemplary illustration

Cable tie / hose tie from polyamide 6.6 for fast, seamless and reliable bundling of cables, hoses, etc.. The black cable tie offers a higher resistance to UV radiation thanks to the enclosed "soot".

Application: electrical installations, industrial cabling, automobile cabling, marine cabling, pre-fab buildings, special applications.

## Technical data

|                            |               |
|----------------------------|---------------|
| Max. operating temperature | 85 °C         |
| Max. bundle diameter       | 81 mm         |
| Colour                     | black         |
| Material                   | polyamide 6.6 |
| Band length                | 300 mm        |
| Band width                 | 4.8 mm        |

## Commercial data

|                         |            |
